WAITING FOR SPRING

Photograph on foamcore \$75.00 20 x16 inches

I celebrate the seasons! Each brings its own magic, light and colour. This is winter:

All beautiful the march of days, as seasons come and go;
The hand that shaped the rose hath wrought the crystal of the snow;
Hath shaped the hoary frost of heaven, the flowing waters sealed,
And laid a silent loveliness on hill and wood and field. (Trad.)
