LEMON LAYER CAKE

Watercolour/ink \$75.00 12 x 16 inches

Tart and sweet, light and airy, creamy, lemony, melt-in-your-mouth. An occasion such as retirement calls for a celebration and how better to celebrate than to share a delicious treat with friends, talk over the past and many possible futures that stream out ahead of you. Go ahead, have a piece, indulge yourself and congratulations on a job well done.
