CELEBRATING MOONLIGHT ON THE WATER

Acrylic on canvas \$2,500.00 40 x 30 inches

Moonlight on the Water is the light at the end of the day.

Similar to looking for the light at the end of the tunnel, I'm always looking for the light at the end of the day.

I've seen the last light of the day shimmering on tall buildings, on the shadows of tree trunks, my favourite being the moonlight illuminating on the water.

Some days we can't see the light at the end of the tunnel, and some nights there is no moonlight on the water.

When I do get a glimpse of the moonlight illuminating on the water I feel like the universe is celebrating the end of another day. It's magical when I find it and I'll never stop looking for it.
