INTIMATE HAPPINESS

Acrylic on canvas \$425,00 22 x 28 inches

"Celebration is an active state, an act of expressing reverence or appreciation".
--Abraham Joshua Heschel

Our essential happiness is defined by compassion, caring, and kindness towards ourselves and towards all others.

"Intimate Happiness," portrayed in the image of the woman with arms reaching upward and outward in celebration, is a choosing to walk and live one's life true to one's self and aligned with others, and an "active" and ongoing expression of genuine gratitude and "reverence."
